Chiropractic Awareness Survey for Candidates

Name: _____

Email: _____

Phone: _____

1. Do you have a personal chiropractor? If so, who?
2. Do you know what chiropractors do and how they fit into the health care system?

Would you like us to arrange a personal explanation?

3. Are you aware that there is a chiropractor in the legislative building weekly during the session and available to treat legislators and their staffs as patients?
4. If you haven't experienced the mobile chiropractic clinic in the legislative building, would you like to have an appointment arranged for yourself?
5. Are you aware of our current legislation and the background behind it? The bill number is _____.

Do you have questions about this bill?

6. Is there anything else you would like us to know about your relationship to chiropractic or health care?
7. Would you consider yourself generally open to supporting legislation that protects the public access to quality affordable chiropractic health care?
